JUNE, 2009

**"Many hands make light work"**

We saw this happen as people worked together to build a new Sunday School building at the "Agua Viva" Baptist Church in Ejido Tabasco, B. C.

FINISHED BUILDING AND  
BUILDERS FROM GRACE  
BAPTIST FELLOWSHIP,  
LYNDEN, WA

GRACE BAPTIST PROVIDED  
THE FUNDS FOR THE  
PROJECT!

PRAISE THE LORD JESUS FOR  
EVERYONE WHO MADE THIS  
BUILDING POSSIBLE.

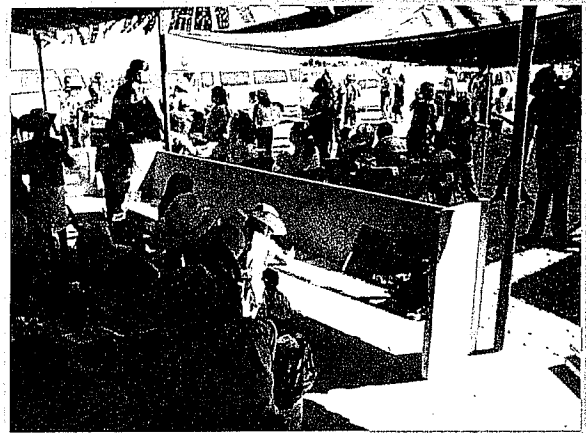

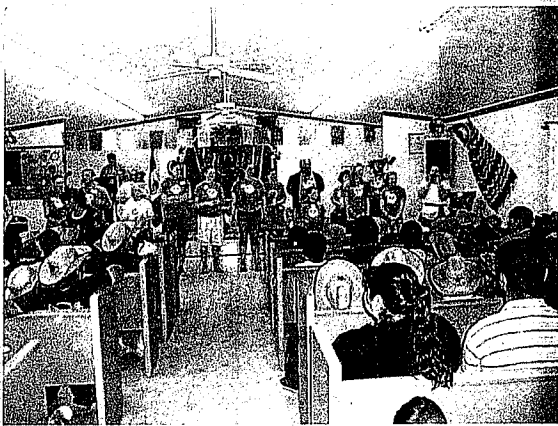

The foundation for the building and trusses were done by Richard Moore and Bro. Filiberto. After that, all the materials for the building had to be bought in Yuma and transported, little by little, to Tabasco. Paul Shonk drew the plans and worked with Jim to buy the materials and take them across the Border. They never got the red light for customs' fees, and that saved a lot of money. There were many crossings and many blessings as we saw how the Lord worked to help us get the green light!

Brother Jim Alsum, pictured here with Paul and Jim, was the main force in raising the money for the project. He was in charge of getting the group to Yuma and organizing their living arrangements and transportation for the ten days of activities.

While the carpenters and helpers were busy with the construction of the building, another group from the same church (Grace Baptist, Lynden, WA) was holding a Vacation Bible School in the same church and one other church in San Luis. Many children attended and some received Christ as Savior. Adults, also, came to know Christ through the work and witness of the two Mexican churches and the visitors from Washington. Pastor Alfredo reports that the new people continue to attend and several will soon be baptized.

*Jim & Fay*

We are thankful for all who work, hand in hand, with us by prayer, giving, and other encouragements. Pray for this church that it will continue to be a lighthouse for Christ in this area of Mexico. Please pray for Pastor Alfredo, Coni, Melissa and Kaela. *"We give thanks to God always for you all, making mention of you in our prayers."*

Jim and Fay Tucker
