Dr. James N. Tucker, Director
Rev. James N. Tucker, Jr., Director
September, 2011

Dear Members of Faith Community Bible Church,

Jim, recently spent some time with Brother Abel and his Aunt. The purpose of the visit was to deliver a new Bible to him as well as a New Testament with a special study addition. Abel had been using the "Life Application Study Bible" or 'Diario Por Vivir' for many years but had loaned it to a friend. The Bible and literature have been an important part of Abel's life since he became a believer in Christ under the ministry of Dr. Mario.

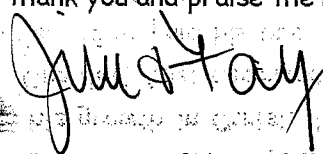

Abel used to be known as the town drunk and worked across the street from our Morelos church. After his decision for Christ, he stopped drinking and attended church. Jim would ask him, time after time, if he knew he was saved, and, finally, Abel responded with the right answer, yes! He started working on cars at the rear of the church lot, and he enjoyed the ministry and testimony of several of our Barnabas Gideon Board Members.

Soon, we noticed that Abel began to comment on the Sunday School lessons and sermons, and this was heartening to those of us who were observing his growth in Christ. He did enjoy the special Bible which was provided to many of our pastors and believers. One day, Abel surprised us with his desire to share his faith with all his family in Southern Mexico, Chiapas. A few of us paid his bus fare and provided the literature and New Testaments for his endeavor. When he returned, Abel told us that he was surprised to learn that they had already come to know Christ and were praying and wondering how they could tell him about Christ.

At one point, Abel was able to open his own business where he worked on cars and restored many to usefulness. He, actually, combined two cars to make one so we knew he was good at his job. His Aunt has joined him and studies the Bible with him each day. You will find them at his shop where they live and witness for Christ by their lives and their words. Barnabas has been able to provide literature, Bibles and solar radios to many people, and Brother Abel has been one of the many who makes use of them for the spreading of the Gospel. For your part in prayers and provision of funds, we thank you and praise the Lord Jesus for you. In Christ,

Jim and Fay Tucker

for all of us!

...being confident of this very thing, that He Who has begun a good work in you will perform it until the day of Jesus Christ."
