Dear Members of Faith Community,

Thank you for continuing to pray for our group of churches as they spread the Gospel message in the cities and villages of Mexico. These lighthouses for Christ are making His truth known in many ways. Three of the churches in Tijuana will work with an evangelistic team which will present the Gospel by means of medical, dental, children's programs, and adult programs. Pray for the salvation of many during the outreach and for all who receive the word that it may bear much fruit in their lives. Pray for Bethany Baptist, Maranatha Baptist, and Koinonea Baptist Mission. **CANCELED DUE TO 7.3 EARTHQUAKE**  
Rescheduled for the last week of June!

Two of these Tijuana churches will be continuing construction on their buildings, and, at least, one group will work with them in April. Pray for them and all the churches as they tell the story of Jesus. Pray for safety as Tijuana is facing great difficulties.

Sincerely in Christ, Jim and Fay Tucker for all of us!
