Dear Members of Faith Community Bible,

We are rejoicing in the wonderful way the Lord blessed the annual family camp this summer. You have been praying for revival and salvation for the camp at the end of July, and we are glad to report that there were 326 participants and 25 who received Christ as Savior. Pastor Ramon's report is filled with joy as he gives the following information. He is thrilled at the way God's hand worked in the family camp. The majority of the churches brought their allotment for the scholarship program provided by BARNABAS, and all of them made professions of faith in Christ. Pastor Leo says that there were 26 conversions whose names he has on a list, but Pastor Ramon thinks there may have been 30. All were invited under the scholarship provision!

Yes, a revival did occur and continues to grow throughout the association. Pastor Ramon says that everyone is commenting about what happened at this camp. Through this activity of family camp, God flooded everyone with great blessings. He says that we have not seen this in our association for a long time. There were, at least, one hundred young people in attendance. Please pray for the new believers and the churches in their follow-up. Their first names are listed here.
