We are praising the Lord for the good time of fellowship, work and planning at our recent BARNABAS board meeting. It was good to review the many evangelistic activities of the members of the board for the past year and to plan for this year's outreaches in evangelism, possible construction of churches, and other ways of encouragement to the pastors and churches.

Pastor Richard's status as a board member was changed to missionary; he has been a missionary all along with his many years of serving the Lord Jesus on both sides of the border. He and Bro. Filiberto have been responsible for many of the foundations and construction of buildings and churches. Pastor Richard is well known for his spirit of encouragement to the Lord's people in this part of His vineyard. Thank you for praying for Pastor Richard.

We heard of Pastor Javier's Calvary Baptist Church outreach to a new area of San Luis. This is a settlement where there are no utilities, and the people live in makeshift huts. Pastor Javier and his 2 sons give out tracts to around 300 each Saturday and preach to a group of 60 of them each Thursday. Our board voted to upgrade their audio system and buy a small generator, and the money was provided 'on the spot' as several members left checks with the treasurer. No discussion was had and no one knew about the other's check, but the Lord encouraged our hearts in this way. Thank you for praying for Pastor Javier, Pancho, and Isaac.

In Christ, Jim and Fay Tucker for all of us
