

BARNABAS ASSOCIATION/MEXICO, INC.

P. O. BOX 5195; YUMA, AZ 85366

July promises to be a month of exciting activities even though the weather is heating up to its average of 110 degrees! Praise the Lord for the dedication of the pastors and believers of the Mexico group of churches.

Pastors Ramon and Alfredo are busy planning the formal organization of the Tabasco mission church. There will be other pastors attending the service and activities, and some of our Barnabas Board members will be participating. Pastor Alfredo will highlight the day with the baptism of a good group of people.

Pastor Javier has finished the electrical installation in the new Sunday School building, Tabasco. Now, Pastor Alfredo and his men will complete the work of the insulation and the interior walls. We know there will be a special dedication prayer for this building when everyone gathers for the organization of the church.

PLEASE PRAY FOR THE PROVISION OF FUNDS FOR OUR SEMINARY STUDENT, MARIA ESTHER. SHE IS ANTICIPATING A RETURN TO THE LACY SEMINARY FOR HER SECOND YEAR OF TRAINING FOR THE LORD'S WORK. PLEASE DESIGNATE GIFTS FOR HER AS: "SEMINARY FOR MARIA ESTHER." PLEASE PRAY FOR HER!

For all that you give through prayers and funds, we thank you and praise the Lord Jesus.

In Christ,

Jim and Fay Tucker
