

THE LIGHT OF THE WORLD IS JESUS!

*The whole world was lost
In the darkness of sin.
The Light of the world is Jesus!
Like sunshine at noonday.
His glory shone in.
The Light of the world is Jesus!*

*Come to the light. 'Tis shining for thee.
Sweetly the light has dawned upon me.
Once I was blind, but now I can see.
The Light of the world is Jesus!*

Thanksgiving week-end, several S. California churches participated in a medical evangelism outreach in the Mexicali area and Ejido Tabasco where Alfredo Campos is pastor. This was an eye clinic. The group had collected donated prescription glasses and regular reading glasses. They tested the eyes with a chart and other tools and, then, tried to find a pair of glasses that helped the person see better. They used a Gospel of John for the person to try and read until just the right glasses were chosen. In this picture, a mother and her son were both helped with vision problems. Pastor Alfredo explained the Gospel message and encouraged them to accept Christ as Savior. Praise the Lord for this outreach and victories in the park at Tabasco.
