Dear Friends at Faith Community Bible,

You will remember that 50 children and young people enjoyed camp scholarships last year through Barnabas, and 25 of them accepted Christ as Savior. Pastor Jaiver baptized one of them at Eastertime. This camp year, we are offering 90 scholarships. Each church will receive 6 scholarships: 3 for church children and 3 for non-church children whom they invite and bring to camp. Everyone rejoiced at the great results last year and are eagerly looking forward to this year's adventure in soul-winning. Gone are the days of sleeping in tents on the ground. We have three dormitories and other places to sleep in some comfort. We are very thankful for your gifts which make this part of the ministry possible, and we know your prayers result in many decisions for Christ throughout the total Barnabas outreach. Thank you, in Christ,
Jim and Fay Tucker
